time stands still for no one  
i'm behind again  
i push and still i see  
i'm getting nowhere quick  
i'm staying late  
again

worlds turn in the time  
i catch another breath  
i know a little more will  
surely do the trick  
i can't delay  
no i can't be late

i can't take the time  
but i plan to when i'm done  
i can't waste the day  
nothing ventured nothing  
i don't think it's wise  
to be idle when you're young  
oh i have to go  
i'll have time to live tomorrow

take a message for me  
tell the wife i'm sorry  
deadline's almost here  
and there'll be more recitals  
anyway there are bills to pay

i can't take the time  
but i plan to when i'm done  
i can't waste the day  
nothing ventured nothing  
i don't think it's wise  
to be idle when you're young  
oh i have to go  
i'll have time to live tomorrow

i have to go

angels spread my wings  
and see the fences tumble

ageless memories  
they watch the strong man crumble at my feet  
what is this i see

i can't take the time  
but i plan to when i'm done  
i can't waste the day  
nothing ventured nothing  
i don't think it's wise  
to be idle when you're young  
oh i have to go  
i'll have time to live tomorrow

i have to go
