I'm at a function  
Here with all my friends  
It's been a good time  
Shame it has to end  
We're really swinging  
We're all in the mood  
That's when it hits me

All of a sudden  
I don't feel so clever  
I don't think I'll ever  
Learn to face up to myself  
I've got this feeling  
That my hair's receding  
Am I on the receiving end of some bizarre new game

And as my mind expands I say

Out again  
I'm bailing out again  
I've bottled out again  
I'm thinning out again  
Deciding to go  
Well I guess this goes to show  
That I never want to know

About the high life  
Just who went and came  
And was that girl there?  
You know what's-her-name  
And did she kiss you?  
Yes I felt the same  
That's when it hits me

All of a sudden  
I don't feel so clever  
I don't think I'll ever  
Learn to face up to myself  
I've got this feeling  
Was I too revealing  
Am I on the ceiling  
Can I face another night of this hell?

And now my mind expands again

So tell me why am I always the one  
Who ends up being the figure of fun?  
And tell me why am I so unaware  
Each time my girlfriend's with someone upstairs

And now my mind expands again

Out again  
I'm bailing out again  
I've bottled out again  
I'm thinning out again  
Deciding to go  
Well I guess this goes to show  
That I never want to know

About the nightlife  
Maybe it's my fault  
When every time I  
I get the same result  
Just when I'm swinging  
When I'm in the mood  
That's when it hits me

All of a sudden  
I don't feel so clever  
I don't think I'll ever  
Learn to face up to myself  
I've got this feeling  
That my hair's receding  
Am I on the receiving end of some bizarre new game?

All of a sudden  
I don't feel so clever  
I don't think I'll ever  
Learn to face up to myself  
I've got this feeling  
Was I too revealing?  
Am I on the ceiling?  
Can I face another night?

All of a sudden  
I don't feel so clever  
I don't feel so groovy  
I feel none too marvy  
I feel a bit queasy  
I don't feel so well  
I don't feel too good  
I feel ill
