There's a time for love, and a time for healing.
You can't go back and undo what's been done.
The word of mouth. Time is revealing,
just how far we've let this kingdom come.
Hand to hand, we're finding our way,
And today is just tomorrow's yesterday.
Some will die for you, some will lie to you,
There's all kinds of people in this world.
Turn the world around
Tear the borders down
There's all kinds of people in this world
This kiss of life. The hand of fate
The boy grows up into his fathers' son.
And he learns to love, been taught to hate
To carry on the way it has been done
All our lives it's debts to repay
Maybe someday we can put the past away
Some will die for you, some will lie to you,
There's all kinds of people in this world.

Turn the world around
Tear the borders down
There's all kinds of people in this world
Some will die for you - Some will lie to you,
There's all kinds of people in this world
Turn your fear away - Find a better way
There's all kinds of people in this world
Then in a moment things can change
One look behind and it's never the same
Some will die for you,
Some will lie to you,
There's all kinds of people in this world,
Turn the world around
Tear the borders down
There's all kinds of people in this world
