featuring Human Nature

Never before
Have I seen you look so blue
Can't find a cure
And nothing comforts you

The light at the end of the tunnel
Doesn't shine at the end of the day

Chorus

Everytime you cry
Save up all your tears
I will be your rainbow
When they disappear
Wash away the pain
'Til you smile again
I will be the laughter in your eyes
Everytime you cry
Everytime you cry

Time has a way
Of wounding what has healed
What can I say
I know just how you feel

Your soul is dark and troubled
Like a river running wild

(Repeat Chorus)

Bridge

Well you know
That's what I'm here, for
And I will give you
When you need, more

There'll be no hesitation
I will reap no reward

(Repeat Chorus till fade)
