They all say its better to walk in light
They all say youÂ're on your own
They all say that failure is not worth the fight
They all say that.

But I sayÂ...
Ye-ah, ThereÂ's no way that IÂ'm slowing down
Cause IÂ'm living life.
Ye-ah, thereÂ's a chance that I still could drown
But IÂ'm not thinking twice.

IÂ'm Living Life.

You always say thereÂ's too much road to run
You always say just stay home

You always say itÂ's easier said than done
You always say that.

IÂ'll tell you whoÂ's living
Not the likes of you
You live in your safe haven,
Not a thing to do.

But I sayÂ...
Ye-ah, ThereÂ's no way that IÂ'm slowing down
Cause IÂ'm living life
Ye-ah, thereÂ's a chance that I still could drown
But IÂ'm not thinking twice.

IÂ'm Living Life.
