We stood and watched the show
Bands like Harper and Blaylock
and Mother Bone
And though I've seen them before

I said there's no other place...
No other place that I'd rather be...
Right Now.

As they played their last song
We raised our lighters and sang along
Then she took my hand

I said there's no other place...
No other place that I'd rather be...

Then she said,
Hey Ya Hey Ya Ya
I got everything I need
Hey Ya Hey Ya Ya
And I'm glad you're here with me,
Hey Ya Hey Ya Ya
So let's drink ourselves to sleep

She said there's no other place...
No other place that I'd rather be...
Right Now.

After the lights went down
We stayed on that field and fooled around
Then she looked at me

I said there's no other face...

No other face that I'd rather see....

Then she said,
Hey Ya Hey Ya Ya
I got everything I need
Hey Ya Hey Ya Ya
And I'm glad you're here with me,
Hey Ya Hey Ya Ya

So let's drink ourselves to sleep

She said there's no other place...
No other place that I'd rather be...
Right Now.

I said there's no other place...
No other place that I'd rather be...

Then she said,
Hey Ya Hey Ya Ya
I got everything I need
Hey Ya Hey Ya Ya
And I'm glad you're here with me,
Hey Ya Hey Ya Ya
So let's drink ourselves to sleep

She said there's no other place...
No other place that I'd rather be...
She said there's no other face...
No other place that I'd rather see...
Right Now.
