Love is where you find it when you find no love at home  
And there's nothing cold as ashes after the fire is gone

The bottle is almost empty the clock just now struck ten  
Darling I had to call you to our favorite place again  
We know it's wrong for us to meet but the fire's gone  
out at home

And there's nothing cold as ashes after the fire is gone  
Love is where you find it...

[ steel ]

Your lips are warm and tender and your arms hold me  
just right

Sweet words of love you remember that the one at  
home's forgot

Each time we say it's last time oh but we keep a  
hanging on

And there's nothing cold as ashes after the fire is gone  
Love is where you find it...
