So I sing you to sleep after the lovin'  
With a song I just wrote yesterday  
And I hope you can hear  
What the words and the music have to say

It's so hard to explain everything that I'm feelin'  
Face to face, I just seem to go dry  
As I love you so much  
That the sound of your voice can get me high

Thanks for taking me  
On a one-way trip to the sun  
And thanks for turning me  
Into a someone

Oh, I sing you to sleep after the lovin'  
I brush back the hair from your eyes  
And the love on your face  
Is so real that it makes me wanna cry

And I know that my song isn't saying anything new  
Oh, but after the lovin', I'm still in love with you

I sing you to sleep after the lovin'  
I brush back the hair from your eyes  
And the love on your face  
Is so real that it makes me wanna cry

And I know that my song isn't saying anything new  
Oh, but after the lovin', I'm still in love with you

Yes, after the lovin', I'm still in love with you

After the lovin', I'm still in love with you
