I'm sending you a big bouquet of roses one for every  
time you broke my heart  
And as the door of love between us closes tears will fall  
like petals when we part  
I begged you to be different but you'll always be untrue  
I'm tired of forgiving now there's nothing left to do  
So I'm sending you a big bouquet of roses one for  
every time you broke my heart  
[ piano - steel ]  
You made our lover's lane a road of sorrow till at last  
we have to say goodbye  
You're leaving me to face each new tomorrow with a  
broken heart you taught to cry  
I know that I should hate you after all you've put me  
through

But how can I be bitter when I'm still in love with you  
So I'm sending you a big bouquet of roses one for  
every time you broke my heart
