Tonight I'm burning old love letters photographs and  
memories of you  
Hoping somehow I'll feel better and that when the  
smoke is gone I won't want you

Burning mem'ries teardrops fall while I am  
Burning mem'ries burning all the memories of you that  
I can't lose

My heart to you no longer matters and I can't live alone  
with memories  
Into the fire those dreams that you've shattered  
And when the smoke is gone then I'll be free

Burning mem'ries teardrops fall...
