(Henry Nemo)

Tear a star from mounty sky and the sky feels blue

Tear a petal from a rose and the rose weeps too

Take your heart away from mine and mine will surely
break

My life is yours to make so please keep us hark awake.

Would you take the wings from birds so they then can't
fly

Would you take the oceans roar and leave just a sigh

All this your heart won't let you do this is what I beg of
you

Don't take your love from me.

--- Instrumental ---

Take your heart away from mine and mine will surely
break

My life is yours to make so please keep us hark awake.

Would you take the wings from birds so they then can't
fly

Would you take the oceans roar and leave just a sigh

All this your heart won't let you do this is what I beg of
you

Don't take your love from me...
