(Bob Wills - John Wills)

(I remember our faded love)

As I look at the letters that you wrote to me

It's you that I am thinking of

As I read the lines that to me were so dear

I remember our faded love.

I miss you darling more and more every day

As heaven would miss the stars above

With every heartbeat I still think of you

And remember our faded love.

--- Instrumental ---

As I think of the past and all the pleasures we've had

As I watch the mating of the dove

It was in the springtime that you said goodbye

I remember our faded love.

I miss you darling more and more every day

As heaven would miss the stars above

With every heartbeat I still think of you

And remember our faded love...
