Out where the bright lights are glowing you're drawn
like a moth to the flame
You laugh while the wine's overflowing while I sit and
whisper your name
Four walls to hear me four walls to see four walls too
near me closing in on me

Sometimes I ask why I'm waiting but my walls have
nothing to say
I'm made for love not for hating but here where you left
me I'll stay
Four walls to hear me four walls to see four walls too
near me closing in on me

One night with you is like heaven and so while I'm
walking the floor

I listen for steps in the hallway and wait for your knock
on my door
Four walls to hear me four walls to see four walls too
near me closing in on me
