I've been accused convicted and condemned the trial's  
over and now I face the end  
Is this your way of telling me we're through when all I'm  
guilty of is loving you

You were the judge the jury all in one you found me  
guilty and now my terms begun  
I must confess I've never been untrue and all I'm guilty  
of is loving you

Loving you and now I'm losing you oh losing you for  
things I didn't do  
Please let your heart consider and appeal for now you  
know exactly how I feel  
Don't punish me for things I didn't do when all I'm guilty  
of is loving you

Yes all I'm guilty of is loving you
