Hello, walls
(Hello, hello)
How'd things go for you today?
Don't you miss her
Since she up and walked away?

And I'll bet you dread to spend
Another lonely night with me
Lonely walls
I'll keep you company

Hello, window
(Hello, hello)
Well, I see that you're still here
Aren't you lonely
Since our darlin' disappeared?

Well, look here, is that a teardrop
In the corner of your pane?

Now, don't you try
To tell me that it's rain

She went away and left us all alone
The way she planned
Guess we'll have to learn to get along
Without her if we can

Hello, ceiling
(Hello, hello)
I'm gonna stare at you awhile
You know I can't sleep
So won't you bear with me awhile

We must all stick together or else
I'll lose my mind
I've got a feelin'
She'll be gone a long, long time
