Do not forsake me oh my darlin' on this our wedding  
day  
Do not forsake me oh my darlin' wait wait alone  
I do not know what fate awaits me I only know I must be  
brave  
For I must face a man who hates me or lie a coward a  
craven coward  
Or lie a coward in my grave

Oh to be torn twixt love and duty sposin' I lose my  
fairhaired beauty  
Look at that big hand move along nearin' high noon  
He made a vow while in state's prison vowed it would  
be my life or his'n  
I'm not afraid of death but... oh what will I do if you  
leave me

Do not forsake me oh my darlin' you made that  
promise as a bride  
Do not forsake me oh my darlin' although you're  
grievin' don't think of leavin'  
Now that I need you by my side  
Wait alone wait alone wait alone wait alone
