Your eyes are blue your kisses too I never knew what
they could do
I can't believe that you're in love with me
You're telling everyone I know I'm on your mind each
place you go
They can't believe that you're in love with me

I have always placed you far above me
I just can't imagine that you love me
And after all is said and done to think that I'm the lucky
one
I can't believe that you're in love with me

(Your eyes are blue your kisses too I never knew what
they could do)
I can't believe that you're in love with me
(You're telling everyone I know I'm on your mind each
place you go)
They can't believe that you're in love with me

I have always placed you far above me...
I can't believe that you're in love with me
