I've searched through each moment of each passing  
hour  
But your memory grows stronger I find  
Oh they tell me in time I'll forget you but somehow I  
can't find the time  
They tell me in time I'll find another and happiness  
again will be mine  
Oh they tell me in time I'll forget you but somehow I  
can't find the time  
Oh something each moment reminds me of you you're  
always in up on my mind  
Oh they tell me in time I'll forget you but somehow I  
can't find the time  
Oh something each moment...  
  
Oh something each moment...
