(Don Robertson - Jack Rollins)

I don't hurt anymore
All my teardrops're dried
No more walking the floor
With that burning inside.

Just to think it could be
Time has opened the door
And at last I am free
I don't hurt anymore.

No use to deny I wanted to die
The day you said we were through
But now that I find you're out of my mind
I can't believe that it's true.

I've forgotten somehow
That I cared so before
And it's wonderful now
I don't hurt anymore.

--- Instrumental ---

No use to deny I wanted to die
The day you said we were through
But now that I find you're out of my mind
I can't believe that it's true.

I've forgotten somehow
That I cared so before
And it's wonderful now
I don't hurt anymore.
