(Dicky Oberbey)

Loneliness has made me weak enough to meet you  
here  
The warmest thing that touch my lips on your lips is a  
tear  
You say you love me and want me back again and all  
your wrongs you see  
Yes, I'd love to live with you again but then I couldn't  
live with me.

Your lips are just as cold as ever so is you hair  
But still the thrill is gone because another has been  
there  
It breaks my heart to walk away from one I need so  
desperately  
So I'd love to live with you again but then I couldn't live  
with me.

--- Instrumental ---

Yes. it breaks my heart to walk away from one I need so  
desperately  
So I'd love to live with you again but then I couldn't live  
with me...
