Each day there's someone who pays for another's
mistakes
The guilty go free but the hearts of the innocent break
You brag that you cheat or I'd never believe it was so
And if that's the fashion then leave me to sorrow and
go
[fiddle]
I vowed to my heart I'd be true dear when God made us
one
You took the same vow and shame those who cheated
for fun
Now you see no glamor in love that is faithful and true
And if that's the fashion it's the kind of love that I never
knew
[fiddle]
I thought your young heart would settle and wanted
just one

I was so wrong but it's hard to undo whatn is done
I guess it's time changing the cycle of life changes too
So if that's the fashion be gay for life owes it to you
