(A. Laurie)

Will you stop by if you ever walk my way again  
And reminisce the love that once had been  
And if absence makes us grow fonder or it leaves us  
just the friends  
I'd like to know if you ever walk my way again.

If you ever walk my way again please stop and see  
If by chances any feeling you still have love for me  
'Cause I'll wait and my love for you will never never end  
Will you stop by if you ever walk my way again.

--- Instrumental ---

If you ever walk my way again please stop and see  
If by chances any feeling you still have love for me  
'Cause I'll wait and my love for you will never never end  
Will you stop by if you ever walk my way again.

Will you stop by if you ever walk my way again...
