I said hey I'm a poor poor boy
Well I got no car and my horse went lame I got no
friends that I can name
But step up close and hear me hon I'm just a poor boy
looking for fun

Well I've been around this whole wide world there's
nothing I ain't done
I phoned with lots of pretty gals I've had a lotta fun
But they always mentioned diomond rings and wanna
tie the knot
But you can't raise a wife on nothing and nothing is all
I've got
I said hey I'm a poor poor boy...
[fiddle - steel]
Well my reputation ain't the best but my heart is never
blue

I got no income tax to pay no worries boy like you
I've got no one to tie me down every day's my lucky
day
If you wanna be happy just like me hear what I have to
say
I said hey I'm a poor poor boy...
