I'm gonna sit right down and write myself a letter
And make believe it came from you
I'm gonna write words oh so sweet they're gonna knock
me off my feet
A lot of kisses down at the bottom and I'll be glad I got
'em
I'm gonna smile and say I hope you're feeling better
And close with love the way you do
I'm gonna sit right down and write myself a letter
And make believe it came from you

(I'm gonna smile and say I hope you're feeling better

And close with love the way you do)
Yeah I'm gonna sit right down and write myself a letter
Yes and make believe that it came from you
