(It all depends on it all depends on it all depends on  
you)

Well I can be happy I can be sad I can be good or I can  
be bad

It all depends on you

I can be lonely out in a crowd I can be humble I can be  
proud

It all depends on you

Well I can save money or spend it go right on living or  
end it

You're to blame honey for what I do

I know that I can be beggar I can be king I can be  
almost any old thing

It all depends on you

[ guitar ]

It all depends on you

[ guitar ]

It all depends on you

Well I can save money...

It all depends on you
