(Ted Daffan)

Well, I've been working hard the whole week and now

I'm a gonna have some wine women and song

I gotta workin' each week but that's alright

I've got five dollars and it's Saturday night.

Music and dancing, pretty and fun

It's gonna go on till way past one

I'm a gonna go where the lights're bright

I've got five dollars and it's Saturday night.

Gonna have fun tonight gonna get right tonight

Everything will be alright cause tonight is Saturday
night (hey)

While other folks are wonderin' what the future may
bring

I'm a gonna have fun and feel no pain.

My pants are ragged but that's alright

I've got five dollars and it's Saturday night.

--- Instrumental ---

Music and dancing, pretty and fun

It's gonna go on till way past one

I'm a gonna go where the lights're bright

I've got five dollars and it's Saturday night...
