Let's pretend we're lovers again  
You're all alone and so am I  
Let's forget bad memories  
And then we can be lovers if we try.

One year ago I walked away from your side  
It hurt you so I know cause how you cried  
But my pride just wouldn't let me say I'm sorry  
But tonight our parting overruled my pride.

Let's pretend we're lovers again  
You're all alone and so am I  
Let's forget bad memories  
And then we can be lovers if we try.

Then we can be lovers if we try...
