(You know that letters have no arms)

I just got your letter dear sweetheart and darling I miss
you oh so much
Your letter has cheered me but I'm lonesome lonesome
just to feel your loving touch

Letters have no arms dear to hold me and kisses on
paper are so cold
These sweet things you write in your letters I wanna be
with you dear when told

Oh letters never bring me the touch of your hand or
none of your sweet loving charms
I get so lonesome for you darling and you know that
letters have no arms

[steel]
Oh letters never bring me...
