A Long Time Ago
By Faron Young

You used to hold me
You used to kiss me
A long long time ago

As we're introduced again
you said that we were old friends
But you used to hold me
you used to kiss me
a long long time ago

And to me it seems so strange
to call you by another's name
Cause you used to hold me
you used to kiss me
a long long time ago

Just seein' you again makes me remember
a long long time ago when you were mine
But it's too late to live my life all over
Or to turn back old pages of time

As you turned and walked away
I thought again of yesterday
When you used to hold me
you used to kiss me
a long long time ago

[steel]

Just seein' you again makes me remember
A long long time ago when you were mine
But it's too late to live my life all over
Or to turn back old pages of time

As you turned and walked away
I thought again of yesterday
When you used to hold me
you used to kiss me
a long long time ago
