(Rayburn Anthony - Bill Rhodes)

The time has come for not so happy ending
And these last time tears won't stay locked up inside
Some words will hurt no matter how you say them
There's just no painless way for your lips to say
goodbye.

Don't feel so bad cause loving you has hurt me
Oh it made me feel so good so many times
Don't think you fell in the way if you'd like to tell me
There's just no painless way for your lips to say
goodbye.

You could have told me we'll work it out tomorrow
Oh but what we've had so long won't let you lie
Love me once more and kiss away my sorrow
There's just no painless way for your lips to say
goodbye!
