The object of my affection can change my complexion
from white to rosy red
Anytime she holds my hand and tells me that she's
mine
There are many girls who can thrill me and some who
can fill me
With dreams of happiness
But I know I'll never rest until she says she's mine

Now I'm not afraid she'll leave me cause she's not the
kind who'll be unfair
But instead I trust her implicitly
She can go where she wants and go do what she wants
I don't care
The object of my affection can change my complexion
from white to rosy red
Anytime she holds my hand and tells me that she's
mine
[guitar]
Now I'm not afraid she'll leave me...

There are many girls who can thrill me and some who
can fill me with
dreams of happiness
But I know I'll never rest until she says she's mine
I'm not afraid she'll leave me cause she's not the kind
who'll be unfair
But instead I trust her implicitly
She can go where she wants and go do what she wants
I don't care

The object of my affection can change my complexion
from white to rosy red
Anytime she holds my hand and tells me that she's
mine
