(Eddie Miller - W.S. Stevenson)

(Please release me let me go)

Please release me let me go
I don't love you anymore
To live together is a sin
Release and let me love again.

I have found a new love dear
And I'll always want her near
Her lips are so warm while yours're cold
Release me my darling let me go.

--- Instrumental ---

Yes, I have found a new love dear
And I'll always want her near
Her lips are so warm while yours're cold
Release me my darling let me go...
