Shame shame on you shame shame on you  
Took my heart as a token when return it was broken  
hide your face shame on you  
Shame shame on you shame shame on you  
Took my car and my money I tell you gal that ain't  
funny darn your hide shame on you  
[ guitar ]  
Shame shame on you shame shame on you  
Took and play your little game you'll find out who was  
to blame  
Hide your face shame on you  
[ fiddle - steel ]  
Shame shame on you shame shame on you

Can you hold your head up high look your friends right  
in the eyes  
No you can't shame on you shame on you
