(Dickey Lee - S. Duffy)

(She thinks I still care)

Just because I asked a friend about her
And just because I spoke her name somewhere
Just because I called her number by mistake today
She thinks I still care.

Just because I haunt the same old places
Where the mem'ry of her lingers everywhere
Just because I'm not the happy guy I used to be
She thinks I still care.

Well, if she's happy thinking I still need her
Then let that silly notion bring her cheer
How could she ever be so foolish
Where did she get such an idea?

Just because I haunt the same old places
Where the mem'ry of her lingers everywhere
Just because I'm not the happy guy I used to be
She thinks I still care.
She thinks I still care...
