Angry words were spoken and I left my baby in a cloud of gloom.

Got into my car and drove around until I spotted this saloon.

Came inside and bought a drink, then I saw you and felt the burnin' glow.

Got the urge to hold you tight, but if I try, refuse me, tell me no.

Step aside if I try to get near you.

Lock your heart if I start makin' time.

Walk away if I say that I need you.

Step aside if I step out of line.

Bitter is my feelin's for my baby and the things she said so cruel.

Half of me says cheat on her, but part of me says stop, don't be a fool.

Don't let me get close to you, cause if I do, I won't be very strong.

Save me from my conscience and keep me from bein' sorry later on.

Step aside if I try to get near you.

Lock your heart if I start makin' time.

Walk away if I say that I need you.

Step aside if I step out of line.

Step aside if I step out of line.
