(Faron Young - Owen Perry)

Oh, tattle tale tears are telling on you
More than a thousand words could ever do
Oh, tattle tale tears that you try to hide
Are telling that you're the one who's crying inside.

While you were pettin' you kept forgettin' the tables can
turn
And that others can find someone new
Now you're alone with no one to talk to
And tattle tale tears are telling on you.

--- Instrumental ---

While you were pettin' you kept forgettin' the tables can
turn
And that others can find someone new
Now you're alone with no one to talk to
And tattle tale tears are telling on you...
