(Dallas Frazier - Sanger D. Shafer)

Like when your patience at time to forgive me
Like when your heart had more love than I could spend
Like when I still have the chance to say I'm sorry
I kept right on tearin' down dreams forgettin' then.

This time there's too many pieces
This time there's nothing to say
This time I'm feeling the high cost of leaving
This time the hurtin's on me.

--- Instrumental ---

When I had the priviledge of calling you darling
I only used this for my selfish needs
The chance of the lifetime is the one that I wasted
The dream that I shattered is falling on me.

This time there's too many pieces
This time there's nothing to say
This time I'm feeling the high cost of leaving
This time the hurtin's on me
