(John Bettis - Richard Carpenter)

Such a feeling's coming over me
There is wonder in most everything I see
Not a cloud in the sky got the sun in my eye
And I won't be surprised if it's a dream.

Everything I want the world to be
Is now coming true especially for me
And the reason is clear it's because you are here
You're the nearest thing to heaven that I've seen.

I'm on the top of the world looking down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love put me on the top of the world.

Something in the wind has learned my name
And it's teeling me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasing sense of happiness for me.

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here.

I'm on the top of the world looking down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love put me on the top of the world.

Your love put me on the top of the world...
