(Willie Nelson)

Touch me, touch the hand of a man
Who once owned all the world
Touch me, touch the arms that once held
All the charms of the world's sweetest girl.

Touch me, maybe someday you may need
To know how it feels when you lose
Oh touch me, then you'll know
How you feel with the blues.

Watch me, watch the eyes that have seen
All the heartache and pain in the land
And be thankful that you're happy though standing
So close to the world's bluest man.

And don't forget me, take a good look at someone
Who's lost everything he can lose
Then touch me and you'll know
How you'd feel with the blues.

--- Instrumental ---

Don't forget me, take a good look at
Someone who's lost everything he can lose
And then touch me and you'll know
How you'd feel with the blues.

And then touch me and you'll know
How you'd feel with the blues...
