Well when you live in the country everybody is your
neighbor
On this one thing you can rely
They'll all come to see you and they'll never never
leave you
Saying y'all come to see us by and by

Y'all come (y'all come) y'all come (y'all come)
Oh y'all come to see us when you can
Y'all come (y'all come) y'all come (y'all come)
Oh y'all come to see us now and then
[guitar]

The kinfolks're comin' they're comin' by the dozen
They're eatin' everything from soup to hay
And right after dinner they ain't looking any thinner
And here's what you'll hear 'em say

Y'all come (y'all come)...

[guitar]
Well now grandma's a wishing they'd come to kitchen
And help her do the dishes right away
But they all start leavin' even though she's a grievin'
You can still hear grandma say

Y'all come (y'all come)...
Y'all come (y'all come)...
