The other night dear as I laid sleeping I dreamed I held
you in my arms
When I awoke dear I was mistaken and I hung my head
and cry
You are my sunshine my only sunshine you make me
happy when skies're grey
You'll never know dear how much I love you please
don't take my sunshine away
[steel]
You told me once dear you really loved me and no one
else could come between
But now you've left me and you love another you have
shatered all my dreams
You are my sunshine...
