(Sam Martin - Ben Trace - Clem Watts)

You call everybody darling
And everybody calls you darling too
You don't mean what you're saying
It's just a game you're playing.

But you'll find out that I can play the game as well as
you
If you call everybody darling
then love won't come a knocking at your door
And as the years go by you'll sit and wonder why
Nobody calls you darling anymore.

--- Instrumental ---

You call everybody darling
And everybody calls you darling too
You don't mean what you're saying
It's just a game you're playing.

Nobody calls you darling anymore...
