(Kent Westberry - Benny Joy)

I'm de-abused and you're the abuser  
I'm de-accused and you're the accuser  
I'm de-missused and you're the missueser  
You don't treat me right honey baby, and that's so  
wrong.

I've made a fool's heart you break this fool's heart  
While you're out cheating my heart takes a beating  
I'm de-confused and you're the confuser  
You don't treat me right honey baby, and that's so  
wrong.

You know what I oughta do  
I oughta go away and leave you a cryin'  
But somehow we can find, I know  
That I can never, ever let you go, there's no use to  
tryin'.

You keep tears in my eyes  
But my ears know only lies you're a talkin'  
Oh, but one day I won't give a hoot  
I'll buy me a new pair of boots and use a walkin'.

I am the giver you are the taker  
I get the heartaches and you are the maker  
I am the fool and you are the faker  
You don't treat me right honey baby, and that's so  
wrong...
