(Kris Kristofferson - Shel Silverstein)

Well, I knew she belonged  
To someone else at the time  
But lonely look in women  
Are a weakness of mine.  
So I bought all she said about the love  
He never gave her  
And figured I just love her some  
And do us both a favor.  
Just as I got up to leave  
He walked through the door  
And I guess I thought he'd be surprised  
But he looked at me as if to say  
He's been there before  
And he offered me these words to the wise.  
He said, you know she's a cheater son  
But you believe that you're the one  
Who's got a lot of what it takes to change her  
And I know now that you can't get her  
You ain't much but that don't matter  
Nothing suits her better than a stranger.  
And the stranger man the better  
And the chances are she'll set her  
Eyes on you the next time she goes slummin'  
So you sit back and wait your turn, boy  
You got lots of times to learn, boy  
Cool it while you can, your time's comin'.

--- Instrumental ---

Well, it happens that in time  
It happened just like he said  
And soon enough her shoes  
Were settin' under my bed.  
And I'll confess I did my best  
To prove that man had lied  
But nothing short of suicide  
Could keep her satisfied.  
So buddy, losing her to you  
Was just a matter of time  
And it's her time for finding something new  
Nothing I can say is gonna  
Make you change your mind  
So I'll just give the same advice to you.

You know she's a cheater son  
But you believe that you're the one  
Who's got a lot of what it takes to change her  
And I know now that you can't get her  
You ain't much but that don't matter  
Nothing suits her better than a stranger.  
And the stranger man the better  
And the chances are she'll set her  
Eyes on you the next time she goes slummin'  
So you sit back and wait your turn, boy  
You got lots of times to learn, boy  
Cool it while you can, your time's comin'.  
I said cool it while you can  
'Cause your time's comin'...
