If you think I'm gonna cry because you said goodbye  
You're right but I wish you were wrong  
If you think I'll dream of you and wish that you'd been  
true  
You're right but I wish you were wrong

There's no used in pretending that my love isn't true  
If you were blind you still could see how much I care for  
you  
If you think there'll never be another love for me  
You're right but I wish you were wrong  
[ fiddle ]  
If you think I'm gonna cry...

I should have known right from the start your love was  
not for me  
If I'd had just gone on my way my heart might still be  
free  
If you think I'm gonna pray that you'll come back some  
day  
You're right but I wish you were wrong
