Now it's time to go.
We hope you liked the show.
This was far away the best gig we've ever played.
So sing along to fade.
Goodnight, god bless.
Sleep well, it's time to rest.
Sweet dreams, goodnight.
I hope the bugs don't bite.
Think of times to come.
When all's been said and done.
Remembering the finest hour we've had so far.
Lets have a sing along. Goodnight, god bless.
Sleep well, it's time to rest.

Sweet dreams, goodnight.
I hope the bugs don't bite.
We've really got to run and chase the setting sun, far
away the best gig we've ever played.
So sing along to fade.
Goodnight, God bless. Sleep well, it's time to rest.
Sweet dreams, goodnight.
I hope the bugs don't bite.
Sing along to fade.
Sing along to fade.
Sing along to fade.
Sing along to fade.
