Sitting here so close together
So far we're just friends
But I'm wondering whether I
Am I just imagining you
Have you really got a thing for me like I think you do
When I see you smile and that smile's for me.
I wanna tell you... hey you
I wanna be your boyfriend, trying to say I wanna be
your number one.
Hey you, I wanna be your boyfriend, gonna make you
love me before I'm done.
Late at night when I, when I can't sleep, picture in my
mind, I see you and me.
I tell you what I want to be
You say your in love with me and oh it's so good in
dream it's just got to be.

I wanna tell you... hey you
I wanna be your boyfriend, trying to say I wanna be
your number one.
Hey you, I wanna be your boyfriend, gonna make you
love me before I'm done.
I'm gonna make you love me, yes I'm gonna make you
love me
I'm gonna make you love me before I'm done.
I want to tell you... hey you, I wanna be your boyfriend,
trying to say I wanna be your number one.
Hey you, I wanna be your boyfriend, gonna make you
love me before I'm done.
