Slight of hand too fast for me
Defeat the strong cast out the weak
Need someone to work it out

Time goes by too fast for me
Another year more choice as me
Need someone to work it out

And we'll soon find the day
Five years on still nothing's changed
And we'll soon find the day
Five years on still nothing's changed

Slight of hand too fast for me
Defeat the strong cast out the weak
need someone to work it out

And we'll soon find the day
Five years on still nothing's changed
And we'll soon find the day
Five years on still nothing's changed

I still remember fifteen forever

And the way it used to be
I still remember fifteen forever
And the way it used to be

It seems that life's planned out for you
Get old retire that's nothing new
Well it's not what I want
Not what I'll get
With you and me
Don't ever forget

It seems that life's burned out for you
Get old retire comfortable shoes
And that's not what I want
Not what I'll get
With you and me
Don't ever forget
