You are always in my heart (oooh)
Even though we are apart (oooh)
I can hear the music of (ooh)
The song of love
I sang with you (I sang with you)

You are always in my heart (oooh)
And when skies above are gray, (oooh)
I remember that you care (ooh)
And then and there,
The sun break through
(You are always in my heart)

Just before I go to sleep,
(just before I go to sleep)
There's a rendezvous I keep
(there's a rendezvous I keep)
And a dream I always meet
Helps me forget we're far apart
(when we're apart)
I don't know exactly when, dear,
But I know we'll meet again, dear
And, my darling, 'til we do,
You are always in my heart
(always in my heart)

(Always in my heart)
(Always in my heart)
(Ooh)
(When we're apart)
I don't know exactly when, dear,
Oh, but I know we'll meet again, dear
And, my darling, 'til we do,
You are always in my heart
(always in my heart)
You are always in my heart
(always in my heart)
