Around the world, I've searched for you
I've traveled on when hope was gone
To keep a rendezvous
I knew somewhere, sometime, somehow,
You'd look at me and I could see
The smile you're smiling now

It might have been in County Down
Or in New York, in gay Paris,
Or even London town
No more will I go all around the world
For I have found
My world in you

INSTRUMENTAL BRIDGE

I knew somewhere, sometime, somehow,
You'd look at me and I could see
The smile you're smiling now

Or in New York, in gay Paris,
Or even London town
No more will I go all around the world
For I have found
My world in you
